BLUE DEVILS DOWN NICHOLAS CO. IN FIRST GRID VICTORY OF SEASON

Improved Line,
Fine Defensive
Work Is Noted

After being handed two early-season drubbings by Raceland and Fairview, Coach Ed Zarembo's Morgan High Blue Devils chalked up victory number one on the gridiron last Friday evening at Carlisle, downing the Nicholas County Blue Jackets, 14-12.

The Blue Devils hit pay-dirt early in the first quarter when tailback Mike Blanton intercepted a Blue Jacket pass and galloped 50 yards for a TD. Freshman quarterback Hank Allen then tossed to end Jeff Brown in the end zone to score the Devils' first extra-point conversion of the season.

Only minutes later, Jeffery Brown blocked a Blue Jacket punt and the Devils recovered on their own 40-yard line. Then on the first play from scrimmage, wingback Terry Risner took a handoff from Hank Allen and broke loose to score behind a power wedge led by

Greg Wingo, Keith May, Randy Risner, Gary Dye, and Jeff Brown, making the score 14-0 after the extra point attempt failed.

The Morgan lads, in thoroughly unimpressive team performances had previously scored only two TD's this season. And these resulted from fine individual efforts by sophomore Greg Phillips, who scored after picking off a Raceland pass in the season opener, and senior Johnny Tate, who broke loose for a 56-yard TD against Fairview.

However, the Devils offensive and defensive lines showed considerable improvement Friday, and though Nicholas County scored two TD's — one late in the first period and again in the fourth — the Morgan lads were able to stave off the extra point attempts, as well as two other determined Blue Jacket drives.

And the Devils almost scored again themselves in a late third period drive that accounted for four first downs, but ended when Jeff Brown had to step out of bounds on the 15-yard line to catch a pass from quarterback Greg Phillips on a fourth-down situation.

Though unsuccessful, this drive generated a lot of excitement when freshman safetyman Kim Lykins snagged a Blue Jacket on his own 5-yard line and returned the ball to the 20 yard line to stop a Nicholas County TD drive.

Quarterback Greg Phillips then marched the Devils to the Nicholas County 35 on a 10 yard pass play to Jeff Brown and runs by Terry Risner, Mike Blanton, and Johnny Tate.

A number of fumbles in the backfield also cost the Devils yardage, but all-in-all, the team showed a marked improvement over the past two performances.

Particularly impressive on defense were safetyman Greg Phillips and freshman Kim Lykins, and linemen Greg Wingo, Gary Dye, Cliffie Smith, Jim Johnson, and others.

On Friday, the Devils journeyed to Boyd County for a game with always-tough Catlettsburg.

County Republican leaders hold impromptu pep rally with two GOP candidates for state office at a coffee held here Tuesday to greet GOP CARE-o-van. From left are Morgan County Party Chairman Boyd Blair; J. Robert Miller, candidate for State Auditor; Mrs. Robert DeBusk, county chairwoman; Charles Hutchinson, county campaign chairman, and Doug Moseley, candidate for Clerk of the Court of Appeals.

GOP CARE-O-VAN VISITS MORGAN TUESDAY; COFFEE FOR CANDIDATES

Miller and Moseley
Speak; Emberton Was
Called To Louisville

A large crowd of citizens who turned out at a coffee here Tuesday to greet Republican gubernatorial nominee Tom Emberton were disappointed when Emberton was forced to cancel his appearance at the last minute due to a scheduling mixup.

Nonetheless, Republican Party faithful and others who attended the coffee at the West Liberty Elementary School heard talks by two other GOP nominees for state offices — J. Robert Miller of Tompkinsville, candidate for State Auditor and present Commissioner of Agriculture, and Doug Moseley of Columbia, candidate for Clerk of the Court of Appeals.

Local party leaders estimated that around 250 people turned out to greet the candidates.

Both Miller and Moseley, along with Ken Harper, candidate for Secretary of State, are members of Emberton's CARE-o-van which currently is making a campaign tour of Kentucky counties.

According to Jim Kinser, press secretary for Emberton, Mr. Harper accompanied the gubernatorial candidate by plane from Stanton back to Louisville where both were to address a meeting of the Kentucky Bankers Association Tuesday evening.

Both Emberton and Harper sent their regrets and apologies for being unable to be in West Liberty, but both plan to return at a later date, possibly during the Sorghum Festival in October, according to County Campaign Chairman Charles Hutchinson.

Both Emberton and Harper had visited West Liberty last May during the Dogwood Festival and stated at that time that they planned to return before the election.

In brief talks, candidates Miller and Moseley administered GOP Party faithful and "friendly Democrats" to work for and elect the entire Republican ticket in November.

Both commented on "the tremendous receptions" they are receiving in every county they visit, and Miller stated that it is his feeling that this is because people everywhere are cognizant of the many improvements in government services, parks,

education, etc., made throughout the state by the present Republican administration in Frankfort.

Miller took note of the fact that registered Democrats outnumber registered Republicans in Morgan. But he stated, "In talking with Morgan people I've learned that those who are registered as Democrats want good government, too," and he predicted that for this reason many Democrats would "join hands" with local Republicans to bring about a GOP victory in Morgan at the November election.

The coffee, sponsored by the local Republican Woman's Club, followed a handshaking tour of downtown West Liberty by the candidates, who were accompanied by County Party Chairman Boyd Blair, Campaign Chairman Charles Hutchinson, and other local party leaders.

BLAZE MAN FOUND DEAD ON KY-711 EARLY SATURDAY

Cause Of Death
A Mystery And
Autopsy Ordered

William Bruce Perry, 21, of Blaze was found dead on KY-711 about 1:40 a.m. Saturday and officers speculate that he may have been the victim of a hit and run driver.

However, Morgan County Coroner A. J. Herald said the cause of death was undetermined and Perry's body was removed Tuesday following funeral services to St. Joseph Hospital, Lexington, where an autopsy was performed.

A preliminary autopsy report is expected within two or three days.

Herald said Perry's body had numerous abrasions around the face and on the arms and that the right chest was crushed.

The fact that the lower body and legs were unmarked.

Thieves Steal
Air Conditioners
From Elkfork Lodge

Thieves who broke into the Elkfork Lodge Hall recently, escaped with two air conditioners valued at around \$750.

Sheriff James Brooks said thieves gained entrance to the building near the mouth of Williams Creek by breaking out a window above the front door.

A member of the lodge said the thieves also made off with four chairs.

The break-in, which occurred around two weeks ago, was discovered by Bee Pelfrey, who lives nearby and who notified Sheriff Brooks.

No arrests have been made.

WEST LIBERTY EXCHANGE GETS DDD TUESDAY

Ezel, Jephtha, And
Sandy Hook Will
Get DDD In 2 Wks.

Mountain Rural Telephone Cooperative switched its West Liberty exchange over to direct distance dialing (DDD) Tuesday morning and announced that DDD will become operative in the Jephtha, Ezel, and Sandy Hook exchanges in about two weeks.

Mountain Rural's Hazel Green, Campton, and Frenchburg exchanges were switched to direct distance dialing a few months ago.

Direct distance dialing permits long distance callers to bypass the operator and dial their own long-distance telephone calls, faster and at a cheaper rate.

All Mountain Rural subscribers have been mailed special direct distance dialing booklets with instructions on how to use the system and each subscriber has been issued a DDD identification number.

To place a long-distance call, the caller simply dials his identification number, then the area code of the party he is calling, and then the number he wishes to reach.

Kentucky is divided into two calling areas. The area code for the eastern part of the state is 606. To dial a number within the 606 "home area," no area code is needed. Simply dial your identification number and the number of the party you wish to reach.

MISS MCGUIRE 2ND RUNNER-UP IN NATL. PAGEANT

Will Appear In
Sorghum Festival
Parade October 23

Miss Debbie McGuire of Louisville, who was crowned Miss Kentucky Teen-Ager of 1971 at a pageant in Lexington Sept. 4, won high national honors last week when she was judged second runner-up in the national Miss Teen-Ager Pageant at Palisades Park, N. J., on Sept. 9.

Miss McGuire, 17, is the daughter of Mr. and Mrs. Clinton McGuire of Louisville, former residents of Morgan County.

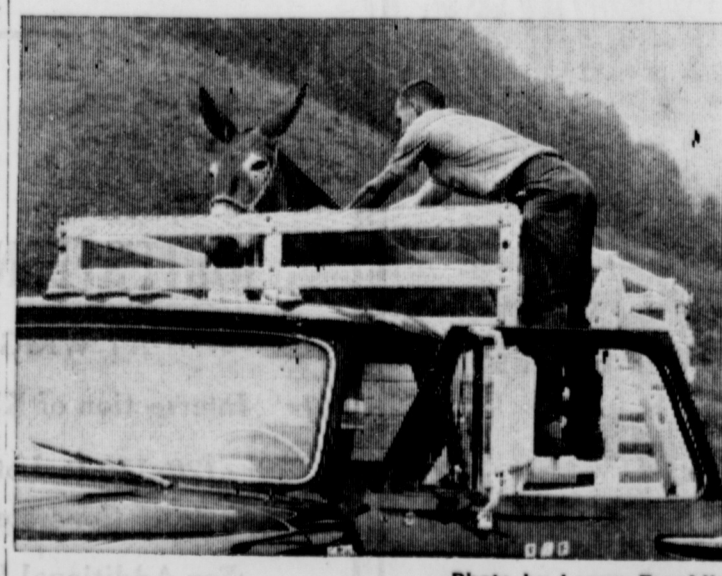

Initially, 250,000 girls from throughout the nation participated in the contest and each state was represented in the national event.

Miss McGuire, a senior at Waggoner High School in Louisville, will appear in the Morgan County Sorghum Festival Parade at West Liberty Saturday, Oct. 23.

She is a granddaughter of Mr. Kenzie Brown of Matthews and the late J. I. and Phoebe Lykins McGuire. She is a niece of Mrs. Sewell Hamilton of Cottle and Mr. Russell Brown of West Liberty.

The Morgan County Women for Ford committee met Sept. 8 at the home of Mrs. Gene Allen to conduct planning for upcoming campaign activities, including a visit here Sept. 22 by Lt. Gov. Wendell Ford, Democrat nominee for governor. The committee has been working on registration of voters, absentee applications, and plans to host visits here by Mrs. Ford and Mrs. Julian Carroll Oct. 23. Members of the committee are, from left, Bernice Allen, Norma Brown, Betty Blanton, Phyllis Brooks, Morgan County Chairwoman for Ford Sandra McKenzie, Janice Williams, Dorothy Perkins, and Ethel Phillips. Absent when photo was made were Fredia Franklin, Pearl Conley, Audrey Carpenter, Sally May, Lois Smith, Jeanette Henry, Juanita Davis, Carma Salyers, Alice Sue Adams, and Nora Barker.

400 TONS OF STATE-OWNED GRAVEL MISSING FROM MORGAN STOCKPILE

The reported theft of around 400 tons of state-owned gravel from a stockpile in Morgan County is under investigation this week by district and state officials of the Kentucky Department of Highways.

Lawrence Jones, State Highway Department maintenance foreman in Morgan, said workmen discovered the missing gravel, which had been delivered the week prior to Labor Day, when they returned to work Tuesday, Sept. 6.

Jones said that around 500 tons of gravel had been stored in the yard of the Martha Church on Middlefork, about 12 miles northeast of West Liberty.

The stone was purchased and stockpiled by the highway department for re-sealing the blacktop surface of the Middle Fork Road (KY-589) in Morgan County, Jones said.

Jones said that a preliminary investigation Sept. 6 by him and district highway engineers from Jackson revealed that the missing gravel had been spread on two other nearby roads — KY-172, which has been badly damaged recently by coal trucks hauling coal from a Morgan County strip mine, and on the Middle Fork-Lick Branch Road about one-half mile from the storage site.

Jones said that "about half" of the 400 tons of missing

gravel had been spread on KY-172 "in bad places where coal trucks had torn up the road." The remainder of the missing gravel, Jones said, was placed on a half-mile stretch of the Middle Fork-Lick Branch Road, from its junction with KY-589 on past the home of Emerson Smith.

Jones said that due to the loss of the gravel it now appears doubtful that the Middle Fork Road can be resealed before spring since gravel for the project must be re-bid.

APPLY AT ASC FOR LAND REPAIR AID

The Morgan County ASCS office in West Liberty received authorization this week to accept applications for Emergency Flood Damage assistance in restoring farmlands damaged by the recent flood.

The U. S. Department of Agriculture last week approved an allocation of \$90,000 to the Kentucky ASCS for use in Morgan and Wolfe counties in sharing with farmers the cost of restoring flood-damaged farm land to productive capacity. Cost-sharing is to be on an 80-20 basis.

Morgan countians whose farms were located in the flood-damaged area and who are interested in practicing to restore their land should visit the ASCS office over the West Virginia post office and make application for the cost-share arrangement.

Flash floods in July caused an estimated \$1 million damage to crops and cropland in Morgan county.

Thousands Expected For Gigantic Parade And Arts and Crafts

By Mary Ann Foudray

Sorghum Festival Committee members are enthusiastic as ideas and plans are becoming realities for the two-day event to take place October 22-23.

Cane growers are making molasses. Some have contracted theirs to be sold at the festival. More is needed, because thousands are expected to throng West Liberty for the event.

Vina Hammack, chairman of business window displays, encourages each businesswoman to decorate his store window no later than the weekend before the festival. All windows will be judged on Sunday, October 17, and a trophy will be awarded. Miss Hammack volunteers her assistance to any one needing help with the decorating. These windows added much spirit to the festival.

Several craftsmen who had booths before have contacted Kathleen Blair. The booth fee is still \$1.00 and must be received no later than October 15. Many new booths are expected and all will be on the Morgan County High School athletic field.

The country store, which will be in the MCHS vo-ag building, will offer people a chance to sell cushions, pumpkins, gourds, dried apples and beans, pickled corn and beans, sweet potatoes, walnuts or other farm and home items. Ethel Phillips, Ruth Conover, and Helen Wells, country store proprietors, may be contacted about other articles and the time to bring them.

A parade, set for Saturday at 1:00 o'clock, has been added to the festivities. In addition to our MCHS band, two antique car clubs, three college bands, three Shriner groups, and several political hopefuls have been invited. Miss Teen Age Kentucky, Debbie McGuire of Louisville, has accepted our invitation to participate. Any group wishing to make a float for the parade is asked to please contact Graden Walter, Jr., parade marshal.

WENDELL FORD TO SPEAK HERE SEPTEMBER 22

Lt. Gov. Wendell Ford, Democratic nominee for governor, will campaign in West Liberty Wednesday, Sept. 22 and will speak at a campaign rally and fish fry later at the West Liberty Elementary School.

Winford Howard, Ford's campaign chairman in Morgan, said the Lt. Governor is scheduled to arrive by helicopter at the West Liberty Airport at 4:15 p.m. after which the nominee will be conducted on a handshaking tour of the West Liberty business district.

Howard said a large delegation is expected to meet Ford at the airport.

The fish fry and rally will begin at 6:30 p.m. at the elementary school on Wells Hill. Tickets for the event are on sale now by campaign workers for \$2.50 each.

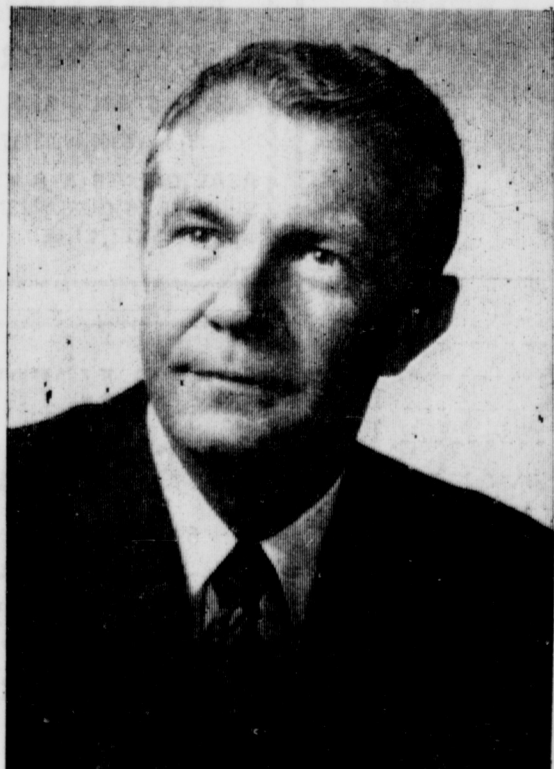

Howard said a full schedule of entertainment by the Goins Brothers and free prize drawings, along with plenty of fish, cole slaw, baked beans, tea, coffee, and desserts will precede Ford's talk.

Howard said Ford's running-mate, Julian Carroll of Paducah, candidate for Lt. Governor, is scheduled to appear here later.

Party affiliations of the new voters are—Democrats 117, Republicans 28, Independents 2.

WENDELL FORD

WILL ARRIVE IN

WEST LIBERTY

WEDNESDAY, SEPT. 22 - 4:15 P.M.

Immediately following his arrival by helicopter at the airport, Lt. Gov. Ford will campaign on Main Street. At 6:30 p.m. he will be guest speaker at a

FISH FRY AND RALLY

At West Liberty Elementary School on Wells Hill. Tickets will be \$2.50 and children under 12 free. Entertainment will be by THE GOINS BROTHERS. Also, prizes will be given away.

Meet Mr. Ford at the airport, watch him in action on the campaign trail, then enjoy fish, cole slaw, baked beans, and a dessert, coffee, and tea at the rally. Support our County Democratic Campaign.

**Marijuana Find
Brings Arrests
At Morehead**

MOREHEAD, Ky. — The anxiety of two travelers and the suspicion of an airport official have resulted in arrests of two men from Pennsylvania and Delaware on drug charges.

State Police and Lexington authorities arrested Steven Goulding, 18, Chambersburg, Pa., and John W. Walls III, 20, Newark, Del., Sunday night on charges of illegal possession of dangerous drugs for resale.

The two arrived at Lexington's Blue Grass Field earlier and became overly anxious about a flight bag that couldn't be located immediately, an airport official told police.

Their anxiety prompted him to open the bag when it was found. He discovered a supply of marijuana, notified police and returned the bag to the men.

They left immediately by auto, but were picked up here.

Polluted air serves many purposes as well as pure air does, as, for examples, it is used as transmission of power in operating tools for ripping up newly paved streets; it makes possible the use of suction pumps; it is used to inflate tires, and it keeps our bodies from exploding.

FOR RURAL PROGRAMS

An organization to promote rural partisans in promoting their interests is being set up, nationwide. The Coalition for Rural America is being led by ex-Gov. Breathitt of Kentucky and business leaders will join. Claiming cities usually get preference in many programs, they will lobby for more aid to rural areas.

WHITEHALL RESTORED

The rear wing of the three-story brick mansion of the late Cassius M. Clay known as Whitehall in Madison county, was built by Clay's father, Green Clay in 1799 to replace his first home, a hewed log structure. Whitehall, fully restored through the efforts of Mrs. Louie B. Nunn, will be reopened Thursday of this week with fitting ceremonies. Green Clay, father of the noted abolitionist Cassius M. Clay, came to Kentucky shortly after Boone and helped establish Boonesboro. Like Boone, he was a surveyor. The Clay property is near Clay's Ferry Bridge and not far from Boonesboro. The three-story Georgian brick mansion has been fully restored and now contains many of Clay's books, personal belongings and some of the house's original furniture. Cassius M. Clay was a cousin of Henry Clay and was named by President Lincoln as ambassador to Russia.

BIRTH RATE DROPS

The Census Bureau expressed surprise in its report this week that the birth rate in America had dropped during the first six months of 1971. Census experts said they had expected the number of births would easily exceed last year's, and they are wondering whether an important new trend is developing in population trends in America. Births from January through June of this year totaled 1,755,000, a drop of 17,000 from the same period last year.

COOPER'S SEAT

Three Republicans and five Democrats are considered possible candidates next year for the U. S. Senate seat of Senator John Sherman Cooper, who has announced that he is retiring at the end of his present term. The Rippon Society, a liberal G. O. P. organization, says in its magazine that probable conten-

ders for the Republican nomination for Senator will be Gov. Louie B. Nunn, 5th Dist. Congressman Tim Lee Carter, and Congressman M. Gene Snyder. Possible candidates for the Democratic nomination for the Senate seat are—former Gov. Edward Breathitt, Atty. Gen. John Breckenridge, John Y. Brown, Jr., the amazingly successful head of the Kentucky Fried Chicken corporation; Katherine Peden, and State Senator Walter (Dee) Huddleston, campaign manager this year for Wendell Ford. Our opinion is that the November contenders will be Republican Louie B. Nunn and Democrat Edward Breathitt. However, John Y. Brown, Jr. is seen as a strong Democrat contender for the nomination, and may nose out Mr. Breathitt.

270 TB CASES — Although Kentucky has made great progress in combatting tuberculosis in recent years, the state saw 870 new cases of tuberculosis in 1970, and still ranks fourth highest in the nation in the incidence of the disease. The State Health Department is predicting there will be about 25% fewer cases this year, or no more than 700 in 1971. A state system of regional TB hospitals and new methods of treating the disease helped to reduce Kentucky's TB rate, said the use of mobile X-rays produced by the Elks Association help detect the disease early. The mobile X-ray program was started in 1936 and has reached even the remotest parts of the state to render service.

COAL TAX OR SALES TAX

More important than removing the sales tax on food would be enactment of a severance tax on coal. If such a tax is not imposed soon, Kentucky will lose much potential revenue for the strip miners and mountaineers of their coal seams before such a tax is imposed. And the "passion for profits" is despoiling thousands of acres of Eastern Kentucky's hill and mountain land, despoiling the streams and wrecking the highways. Once a county loses its coal, that much wealth is gone forever. A severance tax is justified, but it should be enacted soon. And the entire tax on coal taken from a county should be returned to the county, because that county is just that much poorer.

WORDS OF WISDOM

The following is an excerpt from a commencement address at Hofstra University delivered by W. D. Moyers, author and former presidential aide—Like mem-

bers of a religious cult waiting for the sudden reappearance of the Messiah, Americans seem to want a political savior, someone to whom we can transfer our hope for a better day and on whose shoulders we can place responsibility for achieving it. But it's apparent now that the direction America goes will be decided not by some miracle-working, super-human personality, but by each of us. A nation can be no more truthful than each of us, no more honest than each of us, no more generous, no more worthy than each of us. America is really the whole of its parts."

DR. BERNARD ON CIGARETTE HEALTH HAZARDS

Dr. Christian Bernard, the world-famous heart-transplant specialist, has written a book soon to be published in England in which he concludes that smoking is not a contributing factor to heart disease. He says that in his view smoking had nothing to do with the malfunction of the heart. He says that heart disease is no longer a death sentence, because medical science can now do a lot for the heart suffer. "And smoking bears no relationship to heart problems," Dr. Bernard says in his new book.

BURLEY PRODUCTION

Burley tobacco cutting and housing is now in full swing across Kentucky, and the State Crop and Livestock Reporting Service this week estimated 1971 burley production in the state at 371.8 million pounds, a decrease of 3% under last year's production. For the entire burley belt, production this year is estimated at 543.3 million pounds compared to 560.5 million pounds last year. An average yield of 2,504 pounds per acre is expected this year.

CORN CROP BIGGER

Kentucky's 1971 corn crop is estimated at 85,544,000 bushels, an increase of 73% over last year's blight-shortened crop. Total U. S. corn production this year is estimated at 5,265 million bushels, or 28% more than last year's production. Kentucky production will average 74 bushels an acre as compared to the national average of 82 bushels.

Banks Circle Meets At Pelfrey Home

The G. C. Banks Circle of the Christian Church held its August meeting at the home of Mrs. Oscar Pelfrey. The president, Mrs. Pete Rose called the meeting to order and led in the Christian Fellowship prayer.

Creative Listening and Creative Acting in Daily Life will be the program title for the coming six months, and Mrs. Pelfrey reported on the workshop programs that have been planned.

Mrs. Alice Spencer led the devotion, assisted by Mrs. Pelfrey. Mrs. Spencer told about the Muslim religion and how it compares with Christianity.

For the program Mrs. Spencer told about her trip to Iran where her son, Darryl, is a Peace Corps worker. Darryl planned the trips and served as her guide. The group very much enjoyed pictures and articles that Mrs. Spencer showed.

Refreshments of cherry dumplings and coffee were served by Ethel Phillips' club to: Ethel Turner, Orene Denny, Ruth Conover, Ethel Phillips, Mildred Rose, Edna Burton, Olive Burton, Lynn Bliffin, Linda Smith, Helen Caskey, Kathleen Blair, Thelma McGuire, Peggy Rose, Charlene Spencer, Melba Pelfrey, and Ruby Hill.

CHANDLER TELLS FORD, EMBERTON TO ACT, NOT TALK

By STEPHEN FORD
Lexington Courier-Journal

LEXINGTON, Ky., Sept. 10 — Former Gov. A. B. Chandler yesterday challenged Democratic Lt. Gov. Wendell Ford and Republican Tom Emberton to "stop talking" about repeal of the sales tax on food and to call a special session of the General Assembly to remove the tax immediately.

Chandler, 73, is an independent candidate this year for governor, a position he held twice before as a Democrat. He is opposed by Ford, Emberton and American Party nominee William E. Smith.

Chandler told a Lexington press conference that Gov. Louie B. Nunn, a close political sponsor of Emberton, should call the special session immediately. Otherwise, Chandler said, Lt. Gov. Ford should exercise his constitutional prerogative and call a special session when Nunn leaves the state this weekend to attend the National Governors Conference in Puerto Rico.

"I want Mr. Emberton or Mr. Nunn, to do it today, or stop talking about it," Chandler said. "I want Mr. Ford to do it tomorrow, or stop talking about it."

Chandler said he proposed removal of the 5 per cent sales tax on food before Emberton adopted that position July 6. He added that he urged the calling of a special session Aug. 7, more than two weeks before Ford endorsed repeal of the tax on food and challenged the Republican state administration to act immediately on Emberton's proposal.

Nunn subsequently dismissed Ford's suggestion as "simple-minded, shallow, political and irresponsible" — a sentiment since echoed by Emberton.

Ford, who also was in Lexington yesterday, said he was "as sincere as Mr. Chandler" in making his request to Nunn. But he repeated his claim that "the governor is the only one that has access to all the information on the possibility of submitting a revised budget."

He said there will be no action on the sales tax this year "if Mr. Emberton cannot bring enough pressure on Gov. Nunn to call a special session."

Ford rejected Chandler's contention that Ford's position this year is "comparable" to Chandler's situation in 1935. Chandler, then lieutenant governor, called a special session of the legislature that year in the absence of the governor to revise the state's primary laws.

"He was changing a law on the primary, and that was simple," Ford said. "We're talking about a budget from now until July."

CARD OF THANKS
The family of Marjorie Henry Adams wish to express our deepest and most sincere thanks and appreciation for the kindness extended to us by our neighbors, friends, and relatives during the illness and death of our dear wife and daughter.

Especially the ones who visited and set up at the hospital, the ones who brought food to the home, for the beautiful floral offerings, to those who helped with the grave, the pallbearers, also the minister, Rev. Roy Denton for his consoling words of comfort, the singers for their beautiful songs and the Herald and Stewart Funeral Home for their kindness and help in the funeral. Your kindness and sympathy will always be remembered.

FORD SAYS HE WON'T CALL SPECIAL SESSION TO REMOVE TAX ON FOOD

Cites Pledge Not To Impede Nunn In Meeting Obligations

LOUISVILLE, Ky. — Lt. Gov. Wendell Ford, the Democrat nominee for governor, last Friday stated flatly that under no circumstances would he call a special session of the General Assembly to eliminate the sales tax on food.

Said Ford at a news conference, "I hope this ends the speculation that I might act when Mr. Nunn leaves the state."

The tax has become an issue in the gubernatorial campaign since GOP nominee Tom Emertson promised to repeal it if elected.

Ford said his decision was based on two factors. "On Dec. 12, 1967, when I took office, I made a pledge that I would not impede the governor in carrying out his obligations and wouldn't detain him in the state by such a threat. I intend to keep that promise," Ford asserted.

He also said that only the governor has access to information regarding the effect of

such a tax reduction, particularly on the state's budget.

Ford went on to accuse Emertson of playing politics with the public "by uttering what now appears to be idle promises and shallow sentences."

Ford said that he challenged Emertson two weeks ago to use his influence with the governor to call a special session and repeal the tax now. Gov. Nunn, however, has called the proposal "irresponsible."

"There will be no special session unless the governor calls one," Ford said.

CHANGE IN CASH FOR FOOD STAMPS DISCONTINUED

WASHINGTON, Sept. 8 — The U. S. Department of Agriculture today ruled that a program begun last December in which food stamps users could collect up to 49 cents in cash change each time they used coupons, is being discontinued.

Under the new policy, food stamp users due change from coupon purchases will be given credit slips or tokens by storekeepers for amounts up to 49 cents and unendorsed 50 cent coupons for additional change in amounts of a half dollar or more.

Agriculture Department officials said the change was prompted by critics in Congress who said the practice of giving 49 cents in cash change to users could theoretically allow persons to make repeated coupon purchases and build a cash reserve sufficient to purchase prohibited items.

Census Survey To Ask About Children's Immunization Here

A number of families in this area will take part in the 1971 National Immunization Survey to be conducted the week of September 20 by the Bureau of the Census, according to Joseph R. Norwood, Director of the Bureau's regional office in Charlotte.

The annual immunization survey is part of a national program coordinated by the U. S. Public Health Service to determine the number of children and teenagers who have been immunized against influenza, smallpox, polio, diphtheria, whooping cough, tetanus, and measles.

The questions on immunization will be in addition to the usual ones asked in the Bureau's monthly survey of employment and unemployment conducted for the U. S. Department of Labor. Results of this monthly survey provide a continuous measure of economic conditions in the country.

Facts supplied by individuals participating in this voluntary survey are kept strictly confidential by law and results are used only to compile statistical totals.

Interviewer who will visit families in this area is Mrs. Wilma Taubee, Malone.

BLAZE MAN...

(Continued from page one) ed has led to speculation, however, that Perry may have been beaten and thrown from a vehicle.

This possibility has not been discounted by State Police who are awaiting the autopsy report. Coroner Herald also reported that no tire skid marks were detected at the scene.

Meanwhile, State Police are continuing their search for a hit and run driver. Trooper Kenneth Burton is conducting the investigation. Funeral services for Perry were conducted at 10 a.m. Tuesday at the Blaze Community Church by Rev. James Allen.

Perry is survived by his parents, Mr. and Mrs. George Allen Perry of Blaze; two sisters, Miss Carma Delight Perry of Red Laido, Calif. and Miss Melissa Ann Perry at home.

MORGAN MAN KILLED IN SHOOTOUT

A 26-year-old West Liberty man was killed and two others injured in a shooting melee at 2:30 a.m. Sunday in a Columbus, Ohio bar.

Det. Tom Jones of the Columbus Police Department reported that James Guar Ferguson was killed when shot three times in the chest and stomach by the manager of Le Roy's Bar, Ed Shaffer.

Ferguson, police said, was engaged in a shootout with the manager of the north Columbus tavern following an argument. A customer in the bar, not identified, was grazed in the neck by a stray bullet, but was not injured seriously.

Det. Jones said there are conflicting reports from witnesses and there is a possibility that charges will be placed against the bar manager. Born March 3, 1945, in Lawrence County, the victim was a son of Guar and Gladys Fyffe Ferguson of Martha.

He is also survived by his wife, Mrs. Alice Fields Ferguson; two sons, James G. and Phillip Ferguson, both at home; a daughter, Cora Jane Ferguson, at home; six brothers, Robert, Cleete and Ralph Ferguson, all of Blaine, Donald Ferguson of Isonville, Andrew Ferguson of Columbus, and Al Ferguson of Martha; and five sisters, Mrs. Priscilla Sue Gillett of Alexandria, Ohio, Mrs. Lovella Greenwood of Columbus, Mrs. Rosemary Ferguson of Martha, Mrs. Nina Blythe of Isonville, and Mrs. Elaine McCarty of Staffordsville.

Funeral services were conducted at 11 a.m. Wednesday at the Cindas Creek Church in Morgan County by Rev. Eugene Haney. Burial in the family cemetery at Martha. The Lewis and Ferguson Funeral Home of Sandy Hook was in charge of arrangements.

ODDS AND ENDS

By Earl Kinner, Jr.

Clifford Engle of Pleasant Run has a yen for exploring and while searching for Jonathan Swift's fabled silver mine on Lucky near Licking River recently unearthed these carved bones, which apparently are Indian artifacts of some type. They were found under about two feet of earth beneath a cliff. Engle's son, James, has a large collection of arrowheads, flint scrapers, etc., he found this spring in the same area. Maybe some amateur archaeologist can tell us what the above bones were used for.

"If justice is to be the ideal of man, then its refinement must never cease. As we know, pure justice, even if definable, is not always achieved. However, this is not to say that free people should be content to settle for impure justice. Perfection must continue to be our goal. In this regard, it is well to remember the words of Patrick Devlin, former Justice of the High Court of England. 'When a criminal goes free, it is as much a failure of abstract justice as when an innocent man is convicted.'"—J. Edgar Hoover.
